GOVERNMENT OF INDIA
POWER
LOK SABHA

UNSTARRED QUESTION NO:2736
ANSWERED ON:11.03.2011
MALWA AND SATPURA POWER PROJECT
Tomar Shri Narendra Singh

Will the Minister of POWER be pleased to state:

(a) whether any proposal has been sent by the State Government of Madhya Pradesh to the Union Government for the renovation and modernization of Malwa and Satpura Thermal Power Station;

(b) if so, the details thereof;

(c) the action taken by the Government in this regard; and

(d) the names of foreign agencies whose assistance is being taken to carry out the said work?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF POWER(SHRI K.C. VENUGOPAL)

(a) to (d) : No proposal for renovation & modernization of Malwa TPS has been sent by MPGENCO to State Government/Union Government as Malwa TPS being a new project which is under construction.

Ministry of Power had recommended Phase-II of the Programme for Renovation & Modernization of Coal Fired Stations in India consisting of 6 units of different State Thermal Power Stations to the Department of Economic Affairs (DEA) in June, 2009 for arranging World Bank financing. Subsequently, a proposal for arranging external assistance for R&M of Unit No.6 (1x200 MW) and Unit No.7 (1x210 MW) of Satpura TPS Power House-II and Unit No.8 and 9 (2x210 MW) of Satpura TPS Power House-III was received from the Government of Madhya Pradesh in July, 2009.

As the proposal of Government of Madhya Pradesh was received after the Ministry of Power had recommended the short listed projects to the DEA, the same could not be included in the list of recommended projects.
